Registration

AN ISO
9001:2015
Company

Industrial
Trusted
Certificate

Riddhi Siddhi Roto Plast is a manufacturing unit of plastic products. i.e. water storage tanks, like Regular Tanks, Heavy Tanks, Extra Strong Tanks, Heavy Duty Tanks, Surety Pure Tanks, Loft Tanks which used Agricultural, Residential, Commercial, Industrial area. The Unique and United, Up and Coming, Highly Talented Employees are in quality, production, maintenance, R & D, marketing, sales, admin, accounts, experts etc.

VISION :

- Through the extensive achievements of our highly - committed team, we strive to remain the premier choice for rapid plastic solutions.
- We will continue to work towards making a difference in the lives and future of our employees and our communities while advancing the success of our customers.

MISSION :

- endeavour to develop the product, service, technical expertise and creativity to address all our customers needs and concerns.
- Commit to total customer satisfaction in terms of quality & services for all our products.

Valuable Clients :

OUR STRENGTH :

Our strength lies in our people, in our focus, in our innovation driven ideas, and in our global presence. Together, they make NEER DHARA - what it is today - a leader in custom moulding, building products & solutions and plastics.

OUR MANPOWER :

They're our greatest strength. And why wouldn't they be ? They bring experience, expertise and more importantly, an insurmountable passion to the table. Without them, we wouldn't have reached this far.

WORK FOCUS :

We focus on helping our clients do better at their business with our innovative range of products and solutions.

"Active Thinking" is deep ingrained in all of us - be it our people, product, they all shine through, no matter what the market looks like.

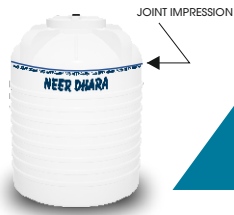

"Active Work Style" has helped us innovate better and develop more practical, profitable products and solutions for our target markets.

OUR SPECIALITIES :

QUALITY	Our wide range of plastic water storage tanks are highly tested for best quality.
PRODUCTIVITY	We have the latest machinery to in our production with qualified staff.
WARRANTY	Our all premium quality products comes with some warranty period.
RECYCLED	Our all products are recyclable, hygienic, durable and cost affordable.
CERTIFIED	Riddhi Siddhi Roto Plast is ISO 9001 : 2015 Quality Certified Company.
NETWORK	We have more than 100 Distributor and Dealer across the country.

NEER DHARA®

3 - Layer WHITE WATER TANK

NEER DHARA[®]
White

Specification & Range :

-  3 layer roto mould tank.
-  Comes with 70 mesh filter from extruder.
-  Outer premier white layer reduce the heat absorption from sunlight.
-  Bright colour UV layer protection from UV Radiation.
-  Antibacterial inner sky blue layer better visibility and bacteria free fresh drinking water.
-  Inside smooth surface for easy cleaning.
-  Free from seaweed formation.
-  Packaging with Heat shrink wrapping.
